OUR COMPANY AND OUR MISSION

New York Blower is a world leader in manufacturing premium-quality, engineered fans and blowers for the industrial marketplace. Our headquarters are located in Willowbrook, IL, with manufacturing facilities in New Castle, PA, La Porte, IN, Effingham, IL, and Leitchfield, KY. We are a global company with many career advancement opportunities to grow, with eight manufacturing locations throughout the world. We have several subsidiaries located and over 300 representatives worldwide. We try to foster an environment that contributes to both our employees' and the company's achievements and strengths. Our success comes from a strong focus on both our people and our products.
